INTRODUCTION

WELCOME TO PLATINUM ELITE ALLSTARS

Thank you for your interest in our program! Our primary objective is to physically and mentally develop young individuals to help them reach their full potential.

Through competitive cheerleading, we aim to foster teamwork, sportsmanship, self-confidence, and physical fitness. The skills and experiences gained at Platinum Elite All Stars will benefit your child for life.

This packet provides essential information, including our Cheer Constitution, Parent & Cheerleader Agreement, seasonal fee details, and the current schedule. Please review all sections carefully.

We look forward to expanding our Platinum Elite family and introducing new teams and opportunities based on sign-ups and try-outs. Details regarding practice days and times will be provided post-tryouts and upon team reveals.

Information on break schedules and competitions will be available on our website. We hope this information aids in your decision to join our squad!

Please ensure all necessary paperwork enclosed is submitted on or before the designated deadline.

Academic Requirements

All athletes are required to submit copies of their progress reports and report cards as soon as they are available. If athletes are not meeting the academic expectations set by their parents, corrective measures must be implemented.

If necessary, an athlete may transition to become an off-the-floor athlete to receive additional academic assistance. Once their grades improve, they will have the opportunity to earn a place back on the competition floor.

If the athlete continues to fall short of expectations, the decision to continue in the program will be left to the parents.

Conduct

All athletes are expected to be present, engaged, and display friendly, courteous, and enthusiastic behavior at all competitions, practices, and Platinum Elite events.

Zero Tolerance Policy for parents and athletes includes:

- Threats or references to violence
- Inappropriate language
- Aggressive behavior toward coaches or peers
- Any form of bullying

Immediate dismissal will result from:

- Use of foul, crude, or obscene language or gestures
- Possession or use of illegal drugs, alcohol, or tobacco

Remember, you serve as an ambassador for our gym, and your actions reflect the program both inside and outside the gym, as well as online.

Practice Policies

At the beginning of the season, parents will receive a Conflict Calendar link. It is the responsibility of parents to fill out the Conflict Calendar before Summer Boot Camp begins. Failure to complete the Conflict Calendar will result in an automatic unexcused absence if a practice is missed.

Each athlete is permitted up to three (3) vacation-related absences during the season. However, athletes may only miss a maximum of two (2) consecutive practices at a time. This ensures that team momentum and cohesion are maintained throughout the season.

- If practices are held on Monday, Wednesday, and Friday, an athlete may miss Monday and Wednesday, but must attend Friday's practice.
- Alternatively, the athlete may attend Monday and miss Wednesday and Friday.

Important Note:

Competitive cheerleading is a team sport. Every athlete plays a crucial role in stunts, choreography, and timing. Absences not only affect individual progress but also hinder the overall performance and safety of the team. Please plan vacations accordingly and communicate conflicts well in advance.

Athletes must attend all practices unless they have an excused absence approved by the Director. Missing practice—even with a valid excuse—can lead to changes in routine placement, as competitive cheerleading is a team sport that relies on full participation.

If you wish to participate in other activities, please remember that attendance at ALL Platinum Elite practices, tumbling clinics, camps, and other team-required activities is mandatory. Both individual and team progress hinge on consistent attendance at practice sessions

Athletes must be on the mat, dressed and prepared, five minutes before the start of their practice. This includes:

- Wearing the appropriate practice attire, socks, and cheer shoes.
- Having practice-ready hair styled with a bow or scrunchie.
- Ensuring that the athlete's hair is tied up with the bow or scrunchie at the crown of their head.

Additionally, maintaining good hygiene practices is essential, which includes regular washing of hair, body, and clothing.

However, if they fail to meet or exceed the coaches expectations, they will be designated as an off-the-floor athlete.

After three unexcused absences from practice, choreography, or any mandatory team related activities, the athlete will be subject to the Punitive Measures established for their team/level. **Unexcused absences from competitions will lead to immediate removal from the program and incurring a Withdrawal Fee of \$500. If an athlete is removed from the program by a parent/ guardian it will incur withdrawal fee of \$500.** All coaches expect 100% commitment from our athletes to help them reach their full potential.
